

MORE AND MORE COMMERCIAL CUSTOMERS ARE SWITCHING TO ANDERSON TO HELP THEM ELIMINATE PEST ISSUES

WHY ANDERSON? PERHAPS, IT'S BECAUSE...

- Anderson technicians receive intensive pest control training from institutions such as Purdue University and the American Baking Association, in addition to attaining certification from the state.
- Anderson retains technicians longer so customers get more consistent service.
- Anderson solutions are 100% guaranteed.
- Anderson documentation is clear, concise and complete.
- Anderson is distinguished as one of the region's first QualityPro members.

Anderson has more than just numbers to back up these claims. We also have a long list of customers who appreciate the level of service they get with Anderson.

Listen to what just a few of them have to say about us. Then, use the scorecard inside to compare the service you get from your current pest control provider to the service you could be getting with Anderson.

When you add it all up, we're sure you'll find a number of reasons to switch to Anderson.

COMPARE THE NUMBERS

Ask yourself these questions about your current pest control service. When you do, we're confident you'll come to the same conclusion that many companies have: Anderson's the answer.

| Ask yourself these questions about... | Your Current Service | Anderson Pest Solutions | Here's what you can expect from Anderson... |
|---|----------------------|-------------------------|--|
| Employee turnover: How many different technicians have handled your account during the past 24 months? | _____ | One. | With the lowest turnover in our industry, most technicians average ten or more years with customers. Account longevity means they'll have more experience and knowledge to solve issues. |
| Technician training: Are your technicians state certified and do they take college level pest coursework? | _____ | 100%. | Few pest control companies require that all their technicians are state certified, let alone complete college coursework. Anderson does. |
| Response time: How fast do technicians respond when a pest issue returns – or a new one surfaces? | _____ | Within hours. | Anderson responds in just hours—usually same day. Our 24-hour emergency hotline gives customers round-the-clock peace-of-mind. |
| Solving pest issues: How often do you feel that your pest issues have been completely eliminated? | _____ | Solved. | With Anderson, all your pest issues are solved – not just controlled. We guarantee it. |
| Communications: How often are you kept up-to-date on what each service call has accomplished? | _____ | Every service. | At Anderson, our documentation is clear, concise and complete. We make a point to have direct, open dialogue with every customer, with every service. |
| Commitment: How long has the firm provided commercial pest control services? | _____ | Since 1913. | Anderson has provided pest control service for nearly 100 years, with every office family-owned and operated. |
